Oral ExParte Presentation

Dear Ms Dortch

On Monday, February 2, 2004, Freedom Technologies, Inc , President Janice Obuchowski, representing Progeny LMS, LLC ("Progeny"), discussed issues relevant to the above-captioned petition during a telephone conversation with Sheryl Wilkerson, Legal Advisor to Chairman Michael Powell. The meeting was held to discuss and clarify questions relating to Location and Monitoring Service ("LMS") in the 902-928 megahertz band. Progeny has proposed rule changes affecting LMS, which shares the band with other licensees and users of unlicensed devices pursuant to Part 15 of the Commission's rules.

In accordance with Section 1.1206(b) of the Commission's Rules, please accept this original and one copy for submission.

Respectfully yours,
